Dear Bill,

We look forward to working with you in the coming months to help celebrate the 50<sup>th</sup> anniversary of the Spring Lamb Barbecue. Our records indicate that this is the oldest, consecutively held, fundraiser for the American Cancer Society in the country.

We were honored when your father, John Sr. and his friends—J.J. Crosetti, Louie Lettunich, Peter Scurich, Pat Carroll and Chick Arbanas—decided to donate the proceeds of the event to the American Cancer Society. We were thankful when you decided to continue to hold the barbecue as a tribute to your dad.

The longevity of the event is amazing enough, but coupled with the generosity of your family hosting the barbecue for all of its 50 years, that is truly special. Several years ago you predicted the event was on track to raise \$1 million dollars by its golden anniversary. That goal is within reach; to date, the barbecue has raised more than \$950,000.

Your donations support lifesaving discoveries, spread knowledge and awareness, increase the odds of surviving cancer and improve a cancer patient's quality of life. The money raised is central to supporting our mission which aims to fight cancer through research, education, advocacy, and service.

We couldn't do our life saving work without supporters like you and your family. If there is anything I can do to help with the Spring Lamb Barbecue, please do not hesitate to ask.

Sincerely,
